Q. What age does GCE start?
A. GCE starts at 4 years old for tumbling classes, and 3 years old for Pre-Tiny all-stars.

Q. Can I do a class just to learn a back handspring?
A. We understand that many kids want to learn a back handspring, but there are many skill progressions that need to be mastered before performing a back handspring alone. Our instructors are trained to teach strength and skill progressions in order for the cheerleader to be able to bear the weight of her body when landing in the inverted handstand position of the back handspring. Please understand that shoulder and upper back flexibility is needed (bridges, bridge kick overs, and walkovers) before a back handspring is taught. We teach perfection before progression.

Q. Can I cheer for my school or rec and GCE?
A. We will do our best to work around any conflicts so you can cheer for both rec and/or school. Please let us know at your child’s evaluation if your child will be cheering for a school or rec team.

Q. Will I be able to watch my child’s class?
A. Parents may watch classes (tumbling, flyer flex, stunt class, etc), but All-Star practices are closed for safety reasons.

Q. How do I know what tumbling level my child is?
A. Parents may watch classes (tumbling, flyer flex, stunt class, etc), but All-Star practices are closed for safety reasons.

These are the basic guidelines for USASF tumbling levels.

- **USASF Level 1** – Forward roll, Backward Roll, Handstand, Cartwheel, Round-off, Back Walkover, Front Walkover
- **USASF Level 2** – Standing Back Handspring, Back Walkover BHS, Round off Back Handspring, Round off series Back Handsprings, Front Handspring, Dive Roll
- **USASF Level 3** – Standing Three Back Handsprings, 4 Jump Combo to Back Handspring, Round-off Back Handspring Tuck, Front Tuck
- **USASF Level 4** – Standing Back Tuck, Standing Back Pike, Standing Back Handspring Back Tuck or Layout, Round-off Back Handspring Layout, Specialty tumbling passes including but not limited to whips, layouts, front tuck step-outs, and more non twisting airborne skills. (Bonus Skill – Full)
- **USASF Level 5R** – Jumps to Back Tuck, Standing Back Handspring Full, Round-off Back Handspring Full, Arabians, Specialty tumbling passes including but not limited to Whips and Front Tuck Step-outs through to Full. (Bonus skill- Double Full)
- **USASF Level 5/6** - Jumps to Back Tuck, Standing Back Handspring Full and Double Full, Standing full, Round-off Back Handspring Full or Double, Specialty tumbling passes including but not limited to Whips, Arabians, and front tuck step-outs through to fulls and double fulls.

Q. How are teams chosen and what level team will my child be placed on?
A. Teams are chosen based on tumbling, stunting and general skill of the athlete. We take into consideration that they do have a full summer to gain a skill they may be working on. Final team placements do not happen until the first week of August, and an athlete must maintain their skills shown at evaluation to keep their spot on a team. Some athletes may move to a higher level team based on their stunting ability, jump ability and/or dance ability. It takes many different skills to build a winning team.

Q. Do we practice in the summer?
A. Yes, GCE will have a practice schedule as soon as teams are selected in late May. While all practices are important, we do realize that families take vacations during the summer months. We ask that you fill out the Time off Request Form as soon as you know what days you will be missing in the summer. Our “competition season” runs August – April and the attendance rules go into effect at that time. Choreography for all teams will be in August and it is a MANDATORY weekend (possibly two days) practice.
COMPETITION SCHEDULE:

Our competition schedule will not be finalized until the middle of the summer. Tiny, Prep and Mini competitions will be limited travel competitions, not requiring an overnight stay. Youth, Junior and Senior competitions may require overnight stays. They will all be within driving distance. We do not require parents to stay at the same hotel however, we may call a practice while we are out of town and it would be the parent’s responsibility to make sure their athlete is in attendance.

FUNDRAISING:

Fundraising will be available to all of our families with a different fundraiser being offered approximately every six weeks. This is a great way to raise funds for your tuition and assessments, as well as uniforms! The gym will hold one MANDATORY fundraiser during the year to go into a fund to cover athlete’s banquet fee, spirit gifts and gym t-shirt. Parents may either participate in the mandatory fundraiser or pay a $100.00 opt out fee.

CODE OF CONDUCT

The code of conduct applies to athletes and parents.

1. Fundraising is a privilege we offer our parents. When you are fundraising on behalf of the gym, our code of conduct is in force for both athletes and parents.

2. Gulf Coast Elite Cheer maintains the right to refuse services at any time.

3. Good Sportsmanship, polite manners and a good disposition are mandatory at all practices, classes and competitions.

4. It is the athlete’s responsibility to wear the appropriate practice wear to every practice (including cheer shoes). If an athlete shows up unprepared for practice, they will sit out and will be charged as an unexcused absence.

5. Personal items such as cell phones, school bags, or gym bags must be stored in the proper place during practices. All cell phones must be turned OFF before practice starts. Cell phones left lying around the gym floor will be removed from the gym. GCE is NOT responsible for lost or stolen items.

6. NO GOSSIP about any other teams (all-star or school). NO GOSSIP about a child on your team or another team. NO GOSSIP about coaches or staff. It is much better to address a problem than to listen to idle gossip. If you have an opinion or problem, bring it to your coach, the All-Star Director or the Owner. Gossiping will not be tolerated and is grounds for dismissal from the gym. It is the single most detrimental issue for a gym to have and can cause moral and overall health of the gym to decline quickly. This includes bullying between athletes as well. Athletes should never comment on another team mate. If they have an issue, it is to be brought directly to their coach.

7. Refrain from using any social networking, messaging services or electronic media to distribute negative or inappropriate information that could be detrimental to yourself, your family, and the GCE brand or reputation in any way. This is grounds for immediate dismissal from the program.

8. Never withhold an athlete from class and/or practice as a form of punishment. This punishes not only your child, but every other team member and parent.

9. Refrain from threatening to quit or pull your child from a team. This is unacceptable parent behavior that will not be tolerated. Any such threats will result in immediate dismissal from the program.

10. NO PROFANITY/ NO DABBING or making any kind of OBSCENE gestures while in GCE uniform or representing GCE in any way.
11. Athletes must arrive at all practices, competitions or any scheduled events on time. Punctuality is a MUST. Appropriate practice wear, cheer shoes, hair in a HIGH pony and practice bow.

12. There are absolutely no food or drinks allowed on our cheer or tumbling floors. All food and drinks must remain in the parent areas. If your child is assigned a locker, no open drinks or food may be left overnight in the locker. Failure to do so will result in loss of locker privilege.

13. Please feel free to talk to your coach about anything. We do ask for a 24 hour notice should you wish to meet with your child’s coach.

14. ALL-STAR practices are CLOSED for safety reasons. From time to time, we will open practice at the end for parents to come in and watch. These are usually not scheduled in advance.

15. It is the parent’s responsibility to know what is going on with your child’s team(s). Please check Gym/Team Facebook pages frequently for updates and last minute changes, especially on competition days. Team Moms may also use email and/or text messaging.

16. Parents, relatives, friends, and cheerleaders are never allowed to speak with competition officials for any reason.

17. If a state of emergency is called during the weekend of a scheduled competition, we will NOT travel to the area under the state of emergency. There will be no refund or re-scheduling if a competition is missed due to a state of emergency warning.

18. At competitions, coaches are there to coach. Please do not approach a coach about any team or competition issues during a competition (unless it’s an emergency), including questions about scoring and score sheets. These will be reviewed with you at practices following competitions.

19. All Gulf Coast Elite LOGOS and lettering are property of Gulf Coast Elite and may not be copied or used for individual purposes without permission from the owner.

20. The Gym Manager/Owner/All-star Director may change, add or subtract any rule at any time.

Practice Attendance Policy

Summer Session Practices

- Practice attendance is critical to your athlete’s progress and integral to the success of the team.

Athletes should attend practices and classes during the summer session in order to prepare themselves for their individual routine obligations and for team bonding.

- Gulf Coast Elite recognizes that athletes value the summer break; therefore, summer practices will accommodate family vacations, summer sports, church trips, summer camps, etc.

Athletes must turn in the Absent Request form, in order to be excused for the summer. *Please note that there are no make-up classes for time missed.

- You are expected to be in practice if you are in town. Please realize teams will be practicing and stunt groups forming. If you miss excessive summer practices it may affect your team placement in August.

Competition Season Practices

- The "Competition Season" begins August 2017 and ends April 2018. Choreography will be in August and will be mandatory.

- Practice attendance is absolutely mandatory and compliance with the attendance policy will be strictly enforced. An athlete’s team position will be jeopardized for noncompliance with all the attendance policies.

- If an athlete is absent from practice for any reason, whether excused or unexcused, he or she is responsible for learning all routine changes made prior to the next practice.

- Practices may be changed or added at any time throughout the year. A two-week notice is guaranteed for all mandatory practices. Parents must check emails, social media, team calendars and the GCE website regularly for updates.

Absences Defined

Excused Absences

Approved absences that have been scheduled on the planning calendar and fit the following:

a. School functions that result in a grade.

b. School-sponsored cheerleading events.

- School-sponsored cheerleading happens at the school! Extra tryout help at another gym or location does not count as school sponsored cheerleading.

- The All-Star Director or Owner has ultimate discretionary authority to excuse absences on a case-by-case basis. (Please note that continued absences may result in changes in routine positions and rosters. Attendance is necessary for success!)

Unexcused Absences

All other absences that do not meet the above allowances are unexcused. Examples include:

- Academics: Academics are a high priority and Gulf Coast Elite stresses the importance of education; however, homework, projects, and studying are unexcused absences. Proper time management is expected so that the athlete can complete his/her academic work and fully participate as part of GCE.
Extra-Curricular Activities and Jobs: Extracurricular activities and jobs need to be scheduled around the commitment to GCE cheer program.

Church: Church is an understood priority at GCE, and with many of our families. We try to schedule around the most common times; however, absences related to youth groups, retreats, etc., will be unexcused.

Illness, Injury or Family Emergency

Illness: Athletes are expected to be at practice unless they have a fever as fever can mean that an athlete is contagious. Practice participation will be situation-based and at the coach’s discretion. A doctor’s note listing the treatment and length of recovery is required.

Injury: In the event that an athlete is injured, you should notify your coach immediately.

Please provide a doctor’s note with information details concerning the prognosis, recovery time, and any change in circumstance affecting their ability to perform. We will re-choreograph routines based on the athlete’s injury and length of recovery. It is not guaranteed that an athlete will be choreographed back into the routine upon recovery. Injured athletes must continue with payment in full.

Unexpected/Family Emergency: Contact your All-Star Director, team coach, or team rep.

Absence Allowances and Protocol

1. 24-hour notice is required for the coach to plan accordingly. No exceptions!

2. Athletes are only allowed three (3) unexcused absences during competition season. Competition season begins on the first week of the September schedule.

3. After (3) unexcused absences, a mandatory meeting with your All-Star Director will be set. Your athlete will sit out of practice until the meeting takes place.

4. When athletes reach (3) unexcused absences, he/she may be placed as an alternate, removed from choreography and/or removed entirely from the team.

5. Unexcused absences are NEVER allowed the (2) weeks (Mon.-Sat.) prior to a competition. If an athlete is absent, he/she will be removed from the routine for that event.

6. Missing a competition without prior notice, and/or approval, will result in immediate dismissal from the program.

I understand and agree to the practice policies of GCE.
